Dear Office of Information Policy (OIP), Office of Government Information Services (OGIS),

I am mailing you NEW EVIDENCE for the Office of Information Policy (OIP) in regards to my FOIA Appeal Case No. DOJ-AP-2017-002520, the Office of Government Information Services (OGIS) in regards to my Case No. 201701674, the Office of the Inspector General (OIG), and the Office of Professional Responsibility (OPR).

The evidence for each respective office is 2-DVD discs within each disc sleeve with labels directed to each respective office. I shall produce 3 copies of this same letter with my original signature that I sign with, which I expect to be disseminated to each respective office. The document with the original signature shall be issued to the Office of Information Policy (OIP). I shall make a copy of what I send for my records locally.

This letter will be in two envelopes as follows.

**Big Envelope (Cert. Mail # 7016 1970 0000 9602 0033):**

1x) Original Letter for Office of Information Policy (OIP), and 2x copies of this letter for the Office of Professional Responsibility and Office of the Inspector General (OIG).

3x) Disc sleeve with 2 DVD discs per disc sleeve. Disc #1 contains a High Definition (1080P) MPEG-2 encoded video file containing the 'Evidence Video' by Brian D. Hill. Disc #2 contains a DVD-Video of the 'Evidence Video' by Brian D. Hill, which shall be compatible with standard DVD players.

Each disc sleeve contains 2 DVD discs and are for each of their respective offices. I ask that each office confirm receipt of the copy of this letter and attached 2-disc sleeve, either by mail or by phone.

**Small Envelope (Cert. Mail # 7016 1970 0000 9602 0040):**

1x) Copy of this letter for the Office of Government Information Services (OGIS).

1x) 1 disc sleeve with 2 DVD discs. Disc #1 contains a High Definition (1080P) MPEG-2 encoded video file containing the 'Evidence Video' by Brian D. Hill. Disc #2 contains a DVD-Video of the 'Evidence Video' by Brian D. Hill, which shall be compatible with standard DVD players.

The 'Evidence Video' was filmed on March 4, 2017, and was finalized on March 5, 2017. It contains arguments, photos of originally scanned documents, and proves the basis for the original FOIA Appeal, that the U.S. Attorney Office in Greensboro, NC may have selectively concealed, covered up, or destroyed their own criminal case (discovery) records with an intent to prevent me from proving my actual innocence in my criminal case. The video demonstrates arguments similar to what may go before a hearing chamber. I show what I had received in my FOIA response envelope packet, what I did not get that I believe I should have a right to have access to under FOIA, and the evidence shows that documents were secretly and selectively withheld with an intent to prevent and obstruct my ability to prove my actual innocence to my wrongful conviction, thus violating me all of my Constitutional rights to Fair Trial, effective assistance of Counsel, cross examination, confrontation of witnesses, and right to inspect and photocopy my original discovery papers. This FOIA Appeal further proves my case that my criminal conviction and plea agreement is UNCONSTITUTIONAL.

Thank You & Sincerely,  
Brian D. Hill
